

JUSTIN & RYAN POMPILII

Justin & Ryan Pompilii have nearly 25 combined years of experience in the urban development field, more than half of which has been in commercial real estate.

They assist publicly traded and national investment companies, developers, investors and land/building owners with the **acquisition** and **disposition** of:

- Vacant land and properties for development, redevelopment, assembly, and investment in built-up and newly developing areas from:
 - Inner Toronto, the Greater Toronto Hamilton Area (GTHA), Greater Golden Horseshoe (GGH) and Southwestern Ontario.

Their expertise extends to:

- **Retail, office, & industrial leasing**, with both landlords & tenants
- **The sale of businesses and residential builder lots**, by way of launching new neighbourhoods for developer-clients.

Justin & Ryan have coordinated requirements for Ontario-based clients through the assistance of area specific Brokerages within the Province, Western Canada and bordering Great Lakes States.

They provide commercial real estate-based consulting services to clients in the above-mentioned geographic areas of Ontario.

Their team looks forward to working within the Royal LePage Commercial network in **assisting colleagues and buyers with their commercial real estate needs.**
